Subject to the terms of this agreement, the Council will provide a 240-litre brown bin (or suitable alternative, subject to specific conditions) which will be emptied on an allocated day once in every period of two weeks. **This service is for residential customers only.**
- 1.2. The sum payable for the 12-month period commencing in June is £47 for each bin you sign up. The council reserves the right to review this sum annually to take effect from the beginning of June each year.
- 1.3. You can register to receive the service until the end of February of the current year's scheme.
- 1.4. The council reserves the right to suspend new subscriptions for a period between 1 March and 30 April inclusive. The exact time period will be decided at the council's discretion.

2. Payments

- 2.1. Subscriptions commencing after June will be charged the full 12-month rate, but the service will only be delivered up to 31 May 2023.
- 2.2. A single direct debit payment of £47 for each bin will be taken on or shortly after 1 June, annually. We will contact you shortly before the end of your current subscription to confirm the amount and when the payment will be taken.
- 2.3. If you pay by debit or credit card, you must pay the subscription in full before the service will start.
- 2.4. You will need to sign up to the service by 29 May 2023 if you want the service to commence from 1 June 2023.

3. The waste containers

- 3.1. A brown, 240-litre, wheeled bin ('the brown bin') is provided for your use but remains the property of the council at all times.
