Site submission form

Earlier in the year we invited developer/landowners to submit proposals for sites with development potential as part of the Local Development Framework. Sites submitted during that time are now the subject of public consultation.

This form is provided for the submission of any **additional** sites that you think should be considered by the council for their availability for development over the next 20 years.

Please complete and return this form and a **map** clearly identifying the boundary of the site by:

Monday 5 January 2009 to:

Planning and Engineering Services
St Edmundsbury Borough Council
PO Box 122
Bury St Edmunds
Suffolk
IP33 3YS

Or email it to: LDF@stedsbc.gov.uk

All information submitted will be made available for public inspection and may be the subject of public consultation as part of the LDF process

Guidance

- 1 Please use a separate form for each site and complete the form to the best of your knowledge.
- 2 Do submit sites that:
 - would be available for development or redevelopment in the next 20 years; and
 - are more than 0.2 hectares (0.5 acres).
- 3 Do not submit sites that:
 - already have planning permission for development unless a new and different proposal is likely in the future; and
 - are outside of the St Edmundsbury local authority area.
- 4 Details of existing constraints can be obtained from a number of sources:
 - Information on floodplains can be found at www.environment-agency.gov.uk;
 - Information on nature designations can be found at www.natureonthemap.org.uk;
 - Details of special landscape areas and conservation areas can be obtained from the existing replacement Local Plan at www.stedmundsbury.gov.uk.
