Dear Sir

St Edmundsbury LDF – Land at Chevington

I write with reference to the above to clarify that due to a change of land ownership I would be grateful that the land put forward by Strutt & Parker on behalf of the Colyer Fergusson Charitable Trust should be withdrawn from the Local Development Framework Progress. The land was given the reference of SS123 after the Call For Site exercise.

Should you require any further information or clarification, please do not hesitate to contact me.

Yours faithfully
