BOROUGH COUNCIL

Site submission form

Earlier in the year we invited developer/landowners to submit proposals for sites with development potential as part of the Local Development Framework. Sites submitted during that time are now the subject of public consultation.

This form is provided for the submission of any **additional** sites that you think should be considered by the council for their availability for development over the next 20 years.

Please complete and return this form and a **map** clearly identifying the boundary of the site by:

Monday 5 January 2009 to:

Planning and Engineering Services
St Edmundsbury Borough Council
PO Box 122
Bury St Edmunds
Suffolk
IP33 3YS

Or email it to: LDF@stedsbcc.gov.uk

All information submitted will be made available for public inspection and may be the subject of public consultation as part of the LDF process

Guidance

- 1 Please use a separate form for each site and complete the form to the best of your knowledge.
- 2 Do submit sites that:
 - would be available for development or redevelopment in the next 20 years; and
 - are more than 0.2 hectares (0.5 acres).
- 3 Do not submit sites that:
 - already have planning permission for development unless a new and different proposal is likely in the future; and
 - are outside of the St Edmundsbury local authority area.
- 4 Details of existing constraints can be obtained from a number of sources:
 - Information on floodplains can be found at www.environment-agency.gov.uk;
 - Information on nature designations can be found at www.natureonthemap.org.uk;
 - Details of special landscape areas and conservation areas can be obtained from the existing replacement Local Plan at www.stedmundsbury.gov.uk.

Site plan

This form should be accompanied by a site plan on a recognised Ordnance Survey base. The site plan should clearly illustrate the following information:

- The exact boundary details (**coloured red**) of the site that you would like considered
- Potential access points (vehicular and non-vehicular)
- Those areas identified as brownfield (**shaded blue**) and/or greenfield land (**shaded green**)

3. Development constraints

Is the suggested use subject to any of the following constraints?

Constraint	Yes/no	Comments
Flood Plain	Yes	
Nature designation	No	
Land contamination	No	
Conservation Area	Yes	
Special Landscape Area	No	

How close is the nearest bus stop?	metres 7 Bus service numbers 321, 375, 378, 752, 754, 753
How close is the nearest primary school?	metres 1180
How close is the nearest shop that will provide day-to-day food needs?	metres 4040
How close is the nearest doctor's surgery?	kilometres 4.62

If there are constraints to development, what interventions could be made to overcome them?
The site is within both the flood risk and conservation areas.
These issues have not been explored in any detail to date
and therefore will need to be considered further as the site progresses.

Policy constraints: How does the proposal conform with current national, regional or local planning policies?

Great and Little Wheltenham (Sicklesmere) is identified as a service centre in the Core Strategy preferred options and therefore capable of accommodating a development of 10 dwellings. The site proposed would contribute to this.

4. Other information

Has the viability of the site been tested? If so, please include details.

No

Level of developer interest, if known:

Low

Medium

High

Likely time frame for development:

0-5 years

6-10 years

10-15 years

Beyond 15 years

Any further information: (Continue on separate sheets if necessary) Please supply four copies of any supportive statements or an electronic version.
