Double Fees (non-residents fee)

Double fees will apply on all fees to those deceased who resided outside the Newmarket Town Council area. To qualify as a resident of the Newmarket Town Council area the deceased must have lived in the town during the last 5 years prior to their death and have paid their parish precept (council tax) to the Town Council. If a resident has been required to move out of the area for medical care, to a nursing or residential home due to no fault of their own, a single fee would apply. Proof of previous residency would be required by the Cemeteries office to arrive with the Notice of Interment. The only document that will be accepted is a Council Tax bill. It is the responsibility of the family or Funeral Director to provide the documentation, failure to do so will result in the payment of double fees.

All fees relating to a burial (either full or cremated remains) of a child under the age of 18 or a baby stillborn after 24 weeks of pregnancy will be claimed for by West Suffolk Council from the Child Funeral Fund (CFF) which is funded by Central Government.
