Newmarket Town Council cemetery regulations Effective from 1 April 2024

The foregoing Rules and Regulations will come into operation from 1 April 2024. All previous Rules and Regulations previously made by the council are hereby superseded. The council reserves the right from time to time to make alterations, additions or amendments to these Rules and Regulation specified herein. These rules and regulations will be reviewed at least once per year.

Introduction

We seek to observe the rights and choices of any individual wherever possible, to keep everyone safe, to treat everyone equally and to maintain our cemetery to high standards we do need some regulations.

Everyone visiting our cemeteries needs to follow these regulations.

When we mention 'cemetery' in the regulations we are referring to Newmarket Cemetery at High Street, Newmarket.

Newmarket Town Council (referred to as 'the council' or 'we' in the regulations) is legally responsible for managing and controlling the cemeteries. The council authorises West Suffolk's cemetery manager to act with its authority and enforce the regulations.

To comply with the relevant laws, we run the cemeteries in accordance with the Local Authorities Cemeteries Order 1977, as amended by the Local Authorities (Amendment) Order 1986 as well as any regulations made by the Secretary of State.

If you have any questions about these regulations, please contact:

1. The cemeteries are open daily to visitors. We display the times on notices at the cemetery gates and on our website: www.westsuffolk.gov.uk/cemetery

Note: Opening times will change according to the seasons.

Rights of use or admission

2. a. We reserve the right to:
 - close or limit access to the cemeteries when necessary; and
 - withdraw the use of the cemeteries from any person or organisation.
- b. You may bring dogs into the cemeteries, but they must be kept on a short lead and always remain under your control.
- c. Dog fouling is prohibited.
- d. Only vehicles associated with a funeral cortege, or those displaying a valid disabled parking permit ('blue badge') may enter the cemeteries. Any vehicle entering must be:
 - driven slowly keeping to the 10mph limit.
 - kept to the main roadways; and
 - parked in a way that does not inconvenience visitors or staff.
- e. Cycling, scootering, and skateboarding is prohibited in any part of the cemetery; users of these modes of transport should dismount at the gate.
- f. No consumption of alcohol may take place within the cemetery. Anyone under the effects of such substance will not be admitted or may be asked to leave.

Fees

3. All fees for interments and memorials applications are payable in advance. If a stakeholder has a financial account set up with West Suffolk Council, then an invoice will be raised and sent. Payment is with a debit or credit card or a bank transfer in conjunction with an invoice number we do not accept cash or cheques as a form of payment. All new customers need to contact the Cemeteries Office to set up an account for payments.

Newmarket Town Council

4. All cemetery fees and charges are reviewed annually and are displayed on both the Council and West Suffolk's website:
https://www.westsuffolk.gov.uk/Births_and_deaths/cemeteries.cfm

Exclusive right of burial

5. At the time of the interment you may buy an Exclusive Right of Burial (ERB) in a grave for an agreed period. The purchase will be subject to you paying the appropriate fee and completing the relevant application form, which needs the signature of the proposed owner (who then becomes the deed holder). The ERB vary between grave types. The pre-purchasing of any graves (either full burial or cremated remains) in Newmarket Cemetery is not permitted.
6. The ERB deed holder is entitled to decide who is buried in the grave and whether a memorial can be erected on it (once the relevant fee is paid and the council has given permission).
7. At any point during the lease period the ERB holder may apply to extend the lease of a full burial grave, bringing the ERB back to its original term or increase it, but not to exceed 100 years. This is subject to the appropriate fee being paid.
8. The exclusive right of burial relating to cremation vaults and cremation earthen plots may at any time be extended for a further 25 years subject to the appropriate fee being paid.
9. Our policy is to excavate graves to the maximum depth available. With regards new graves we will initially aim to excavate them to a depth of 2.13 metres (approximately 7ft). This will enable the grave to accommodate two interments. Requests can be made to dig the grave to 2.75 meters (approximately 9ft) subject to accessibility and ground stability. The council cannot be held responsible if, due to factors outside our control, the grave cannot hold the full number of interments.
10. We will allocate new graves in strict rotation. We will try to meet the wishes of applicants who buy grave spaces if it is practical to do so, subject to the council's approval and payment of the appropriate fee.
11. The council keeps plans and records of graves which visitors may view, by appointment, during normal office hours.
12. When the exclusive right of burial period comes to an end the buyer (or his or her heirs or successors who have become the deed holder) will have the option of renewing that right, subject to any restrictions which may be in force at that time.
13. ERB holders will need to apply to renew the lease within 12 months of the previous grant finishing.
14. The council may grant a renewed right of burial to another person if the exclusive right of burial grant period has finished, and nobody has informed us that they want to

Newmarket Town Council

renew it. Before we do this, we will where possible, notify the previous owner (or his/her personal representative) to give them the option to renew it.

15. Where no interment has taken place in the grave, the owner of the Exclusive Right of Burial may surrender it to the council. We will pay the owner an amount which is in proportion to the number of years remaining for the ERB. We will not make a payment if the ERB has lapsed or finishes within ten years.
16. If the council gives permission, the owner of an ERB may transfer it to another person if he or she provides satisfactory evidence of ownership. The owner must register the transfer in the cemetery's records, have the deed of grant of right of burial endorsed by the council and pay the appropriate transfer fee. The number of ERB holders which can be entered onto each Deed of Grant is restricted to a maximum of two persons. When one ERB holder dies the remaining holder will then become the sole ERB holder of the grave. Where a family dispute results in a stalemate and relevant consents are withheld, the ownership cannot be transferred. This can only be resolved if the various next of kin reach an agreement, possibly with the mediation of a solicitor or other parties. It is not the responsibility of the Council cemeteries service to facilitate this action.
17. Provided that there is sufficient room and subject to receiving consent from the Cemeteries Manager cremated remains can be interred in any adult grave in the cemetery for which you have the ERB. No adult interments, either full or cremated remains can be interred into the grave of a child or baby unless the child or baby was interred into a full adult grave and the appropriate adult ERB fee was paid.
18. Ownership of the ground does not at any time; pass from the control of the council.
19. Before the reopening of a purchased grave the ownership of the ERB must be proven by producing the deed document.

Coffins and caskets

20. To help us all respect the environment, all bodies and cremated remains entering the cemetery for burial must be contained in a coffin/wrapping/casket made of a perishable material bearing the full name, age, and date of death on it. Alternative coffin/casket materials maybe considered subject to prior written agreement by the Cemeteries Manager. No type of metal coffin or casket is not permitted. A coffin or casket which is 6 feet 10 inches or over in length or 30" or over in width will be regarded as extra-large and will be liable to additional fees.

Interments

21. You can apply for a burial by contacting the Cemeteries Service (contact details are shown in the introduction section of this document). The service operates from 9am to 5pm, Mondays to Fridays (apart from Bank holidays). You must deliver a completed interment notice, the burial order, the coroners burial order or the certificate of cremation and the Deed of Grant to the cemeteries office at least two clear days before

Newmarket Town Council

the interment (excluding Saturdays, Sundays, and Bank holidays), unless alternative arrangements have been agreed with the Cemeteries Manager.

22. If the burial is being arranged by a funeral director all coffin, casket and grave sizes must be sent to the Cemeteries Office in writing by them. Verbal instructions will not be accepted from families or funeral directors.
23. Interments normally take place between Mondays and Fridays beginning at 9.30am. From 1 April to 30 September the latest time for a new grave of double or triple depth during this period is 3.15pm, and for the interment of ashes the latest time is 4pm. During the months 1 October to 31 March the latest time for a new burial grave interment is 2pm, and for the interment of ashes 2.45pm.
24. The interment fee includes the excavation and preparation of the grave, matting and attendance by cemetery staff and backfilling on the day of service. The fee also includes all administration, entries into the burial registers and onto the burial database. The fee does not include the removal or reinstating of any memorial (whether the memorial belongs to the grave to be opened or other graves within the area which need to be removed to provide access), planting, shrubs, or trees. The cost of any of these actions must be covered by the applicant. An estimate of the cost would be provided by the cemeteries office before the work could be undertaken.
25. The time booked for a funeral is the time the cortege is due to arrive at the cemetery. If the Funeral Director or person in charge of the funeral is later than the appointed time, he or she must act under the direction of the cemetery manager (or his or her representative) as to when the funeral service may proceed. If the cortege arrives at the cemetery earlier than the booked time, the Funeral Director is not to proceed to the grave or begin to the interment without the presence of the cemetery manager (or his or her representative). The cortege is to wait in the pre-arranged location to be escorted to the grave.
26. The council will not open a grave covered by an ERB without the written permission of the registered owner unless the burial is to be that of the registered owner.
27. We will need to see and verify the deed document before a grave is re-opened. If the deed is lost or mislaid, then a statutory declaration must be made before the interment takes place.
28. We must receive the registrar's certificate for disposal or coroner's order for burial before any burial can take place.

We will require a medical practitioner, midwife, or nurse's certificate if the interment is for a non-viable foetus.

29. We reserve the right to delay or reschedule a funeral if any burial area or excavated grave becomes unstable or dangerous due to severe weather, other naturally occurring instances or an act of God.

Newmarket Town Council

30. The responsibility for providing enough bearers to carry the coffin from the hearse to the grave or plot (whether mourners are present or not), rests with the funeral director or person arranging the funeral.
31. Once we have a notice of interment, we reserve the right to instruct a local memorial mason to remove any existing memorial to allow the grave to be excavated. The applicant will pay the cost of removal and reinstating of all effected stones.
32. We reserve the right of passage over all graves and to have any grave temporarily covered whilst carrying out excavations. Such covering may comprise of boxed platform, or similar, onto which excavated soil may be placed prior to a burial in an adjacent grave. We also reserve the right to move memorials to allow access to a grave. The memorials will be returned to their original positions and any disturbed neighbouring graves made tidy as soon as possible after the burial.
33. Only the council can authorise or employ people to prepare graves.
34. Council staff are not permitted to accept tips.
35. A council representative will be present at all interments to make the final checks to ensure the funeral is completed lawfully.
36. During a funeral (or before) we have the right to exclude those who are not mourners, or not officially connected with the funeral.
37. Newmarket Cemetery contains a children's grave section. We do not permit the interment of adults in children's graves in the children's section. Financial assistance is available from Central Government to families who have lost a child (under the age of 18) to allow choice with regards to burial and memorial options. Information and advice can be given by the Cemetery Manager.
38. Persons authorised by the council will normally carry out the back filling of any grave. However, if relatives and friends wish to do so, permission must be sought from the cemeteries office and the back filling must be carried out under the direction of a member of cemeteries staff or another authorised person. A risk assessment must be completed by the funeral director and sent to the cemeteries office at least two working days before the interment takes place

Management of memorials

39. We will give you the correct form to complete if you wish to apply for permission to erect a memorial, add an inscription or carry out any other work on a memorial including refurbishment, cleaning or like for like replacement. The form will include:
 - name and address of the memorial mason who will carry out the work.

Newmarket Town Council

- full names and signatures of the registered grave owner/s to give permission for the work.
40. Issuing a permit to work confirms that approval for any such application is given. The applicant must not start any work until they have a permit. We will give permission if the work undertaken fully complies with the details specified within the application form, the British Register of Accredited Memorial Masons (BRAMM) or National Association of Memorial Mason's (NAMM) schemes and the requirements of these regulations.
 41. You may be required to remove any work that you do, or any memorials or kerb sets – and pay all the costs of removal – if these do not comply with the cemetery regulations.
 42. All memorials must be erected in accordance with BS8415 and the National Association of Memorial Mason's (NAMM) or the British Register of Accredited Memorial Masons (BRAMM) Code of Practice current at the time of installation. The manager is permitted to instruct removal of any memorial that becomes unsafe or is otherwise dilapidated.
 43. All memorial mason companies who work within the cemeteries must be registered with the British Register of Accredited Memorial Masons (BRAMM) or National Association of Memorial Mason's (NAMM). Fixing teams will contain at least one mason in possession of a BRAMM or NAMM fixer's licence. At all times memorial fixing teams will operate in accordance with the BRAMM or NAMM scheme and these regulations.
 44. We do not permit any kerb sets in the lawned sections of Newmarket Cemetery.
 45. You may only use granite, marble, slate, or other suitable material of durable and sound quality for memorials.

Grave maintenance

46. Graves in all sections of the cemeteries will be grassed, with no mounds unless there is a kerb set fitted by a registered stonemason. You may install a memorial of the dimensions indicated below at the head of the grave. You may not place any other memorial or other items in or around the grave space or on the grassed area in front of the grave including shrubs, plants, and bulbs. Artificial grass is not to be laid on graves at any point after an interment has taken place or at any other time. Any artificial grass laid will be removed by site staff without notice. Graves in all sections of the cemeteries will be made good with turf or grass seed during the months that follows a burial. All sections of the cemetery will have natural grass covering the grave except in compartments where a kerb set is permissible.

56. Any person removing a memorial to permit a further interment may only do so after informing the council. This removal must be completed 3 full working days before the interment is due to take place. Failure to remove the stone within this time frame may result in the council appointing an alternative stone mason to carry out the work and the cost of which will be passed to the Funeral Director who has booked the interment. Upon reinstallation of such memorials, they shall be re-fixed in accordance with BS8415 and the National Association of Memorial Mason's or British Register of Accredited Memorial Masons Code of Practice, this will include the installation of new dowels between the base and headstone plate.

When purchasing a grave within a lawn compartment of the cemetery for a coffin or casket over 6 feet 10 inches or over in length or 30 inches or over in width, families must be aware that any proposed headstone dimensions will need to be the same as a standard sized grave. Larger memorials will not be authorised under any circumstances.
