Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e)** (please read guidance note 10)

The DPS will oversee alcohol sales and ensure staff understand the permitted hours, licence conditions and the four licensing objectives. Staff will receive training before selling alcohol and refresher training at least every six months; signed training records will be retained at the premises. A copy of the licence and staff procedures will be available to staff.

**b) The prevention of crime and disorder**

Alcohol sales will be made or authorised by a personal licence holder. Alcohol kept behind the staffed till and wine on the customer-accessible shelf immediately beside the till will be supervised by staff. The separate tobacco cabinet will remain subject to applicable tobacco controls. Staff will refuse sales to intoxicated persons, minors and suspected proxy purchasers. Refusals and incidents will be logged and made available to police or authorised officers on request. Staff will contact police when necessary.

**c) Public safety**

Customer aisles, exits and escape routes will be kept clear whenever the shop is open. Staff will be instructed on emergency evacuation and the location of fire safety equipment. Spillages and broken glass will be dealt with promptly. Stock and alcohol displays will be arranged so that they do not obstruct safe customer movement or exits.

**d) The prevention of public nuisance**

Customers will be asked to leave quietly and not to congregate outside the shop. Staff will discourage drinking of purchased alcohol immediately outside the premises. Litter associated with the shop will be checked and cleared at closing. Deliveries and waste handling will be managed to minimise disturbance to neighbours. Any noise complaints will be recorded and reviewed by management.

**e) The protection of children from harm**

Challenge 25 will apply to all alcohol sales in-store and on delivery. Anyone appearing under 25 must show acceptable photographic proof of age (passport, photocard driving licence or PASS-accredited card); without acceptable proof the sale or delivery will be refused. The person receiving delivered alcohol must be aged 18 or over, and delivery staff will check identification where required and will not leave alcohol unattended. Challenge 25 signs will be displayed at the till and alcohol display; staff and delivery personnel will be trained in age verification, proxy purchases and recording refusals. Tobacco sales will also follow applicable age-verification requirements.

13. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

` A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Home Office online right to work checking service.**

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
