Provide a general description of the premises

Continued from previous page...

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.

Mimo Cafe is a small independent Portuguese cafe and delicatessen occupying the ground floor of 1A St John's Street, Bury St Edmunds. The business trades principally as a daytime cafe and food shop, serving espresso-based coffee, traditional Portuguese baking and pastries, sandwiches, toasties, salgados, salads, and cheese and charcuterie boards, alongside a curated retail shelf of Portuguese ambient groceries, tinned fish, olive oil, coffee and wine.

Layout - The licensed area comprises a single ground-floor trading room containing a service counter, refrigerated and ambient display cabinets and retail shelving, with 4 tables seating approximately 10 customers; a food preparation area and dry store to the rear; staff and customer WC facilities; and a raised timber deck to the front of the building seating approximately 8 customers. The deck forms part of the demise of the premises, is elevated above pavement level and enclosed by a balustrade, and is included within the red line on the enclosed plan. The maximum customer capacity of the premises is 20 persons.

Situation - The premises is on St John's Street, a mixed street of independent retail and food businesses at ground floor with residential accommodation above and adjoining, a short distance north of the historic town centre. The premises does not fall within a cumulative impact area.

Nature of the alcohol offer - Alcohol will be sold both for consumption on the premises and for consumption off the premises. On-sales will consist principally of Portuguese wine and beer served to seated customers in the trading room or on the front deck, alongside food such as cheese and charcuterie boards, sardines on toast, petiscos and light meals. The premises will not operate as a bar or public house and there will be no vertical drinking. Off-sales will consist of sealed bottles and cans of wine, port and beer sold from the delicatessen retail shelf as part of a customer's general grocery shopping, and sealed containers supplied with takeaway food.

Place of consumption of off-supplies - No place is provided by the premises for the consumption of off-supplies. The front deck is part of the licensed premises and is provided for on-sales only; it is not a place for the consumption of alcohol purchased for off-consumption. Customers purchasing alcohol for off-consumption are required to remove it from the premises in a sealed container.

Intended operation - Trading in practice is expected to be approximately 08:00 to 17:00, Tuesday to Sunday. The hours applied for are wider than current intended trading hours in order to accommodate occasional pre-booked evening supper-club dining events; extended and Monday trading at Christmas and other seasonal peaks; and the sale of packaged alcohol as part of daytime delicatessen shopping. Any evening events will be seated, pre-booked and limited to the capacity of the premises.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Section 19 of 21

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-

 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
