Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Uma Sushi will operate as a sushi takeaway business with the sale of alcohol for consumption off the premises only. Alcohol will be supplied during the permitted licensing hours, for customer collection and delivery through third-party platforms. The business will promote all four licensing objectives through responsible alcohol sales, staff training, effective supervision and challenge 25 age-verfication policy. The DPS will oversee alcohol sales and ensure that staff understand their responsibility under the Licensing Act 2003.

b) The prevention of crime and disorder

A Challenge 25 policy will be implemented. Customers who appear under 25 will be required to provide acceptable photographic identification before alcohol is sold. All staff involved in alcohol sales will receive appropriate training. A refusals register will be maintained to record refused alcohol sales. Any incidents of crime or disorder associated with the premises will be recorded and, where appropriate, reported to the police. Alcohol will not be sold to persons who are intoxicated or where there is reason to believe that alcohol is being purchased on behalf of a person under 18. Alcohol will be supplied in sealed containers for consumption off the premises only.

c) Public safety

The premises will be maintained in a safe and orderly condition for customers, staff and delivery personnel. Access routes and emergency exits will be kept clear and unobstructed. Appropriate fire safety arrangements, first-aid provisions and staff safety procedures will be maintained in accordance with legislation. Alcoholic products will be stored and handled safely to minimize the risk of accidents or injury.

d) The prevention of public nuisance

The premises will operate primarily as a food takeaway business with alcohol supplied for consumption off the premises. Customers and delivery drivers will be encouraged to leave the premises quietly and respect neighboring residents and businesses. Delivery collections will be managed to minimize unnecessary noise, obstruction and disturbance. Waster and packaging will be managed responsibly and the area immediately outside the premises will be checked regularly during opening hours for litter associated with the business. Any complaints relating to noise, deliveries or other nuisance associated with the premises will be investigated and appropriate action will be taken. Alcohol sales will cease at 22.00 each day.

e) The protection of children from harm

A challenge 25 age-verification policy will be implemented for all alcohol sales. Customers who appear under the age of 25 will be required to provide acceptable photographic identification such as passport, photocard driving licence or PASS-accredited proof of age card. Alcohol will not be sold to persons under the age of 18 or to adults where there is reason to suspect proxy purchasing for minors. For third-party delivery orders, alcohol will be supplied only through delivery arrangements which include appropriate age-verification procedures at the point of delivery. Delivery personnel will be required to verify the recipient's age in accordance with the delivery provider's age verification procedures. Where satisfactory age verification cannot be completed, the alcohol must not be handed over. A refusals register will be maintained and the DPS will oversee compliance with age verification requirements.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
