NOTES

- The local authority would clearly have grounds for refusing to grant a licence if a facility to inspect was denied in such circumstances.
- Cheques made payable to issuing authority or card payment at reception:

I agree to permit an officer, veterinary surgeon or veterinary practitioner authorised by the Council to inspect the breeding establishment before any licence is granted (see note 1).

I enclose the sum of **£205.00** being the amount of the fee payable on the licence applied for (see note 2).

I am aware that I am required to reimburse to the Council the costs of a veterinary inspection. I undertake to pay to the Council the costs of such an inspection and understand that a licence will not be issued unless and until I settle the said costs. I declare my answers to the above questions to be correct in every respect.
