**Subject:** Review of Polling Districts and Polling Places - Consultation Response

I am writing in response to the consultation requested on the review of polling districts and polling places.

I have no comment to make on the adequacy of the polling place in my polling district (Culford). Culford Village Hall appears to be reasonably convenient to voters and to have reasonable parking and access for disabled voters.

It is unclear whether the review has the power to consider whether to merge polling districts. If it does, my suggestion would be that the separate polling districts of West Stow and of Wordwell be combined with that of Culford into a single polling district. Currently there is a single Parish Council for Culford, West Stow and Wordwell, and it does not make sense for there to be 3 tiny separate polling districts comprising a single Parish Council.

Kind regards
