Subject: RE: Interim Polling Place review - Sedge Fen

Hi Ben,

I think that combining the Sedge Fen polling station with the Lakenheath Methodist Church station would be a good idea.

However, I wouldn't use the language of a permanent change. Instead I would say temporary change until a suitable station is available. It's all about the sensitivity of Sedge Fen voters. If people believe it is temporary that is one issue, permanent is a different matter and who is to say that the building works in Sedge Fen may not provide a perfectly adequate station in time for the General?

Best wishes

Stephen
