Notes

- 1 Members' Attendance Statistics are usually recorded for period 1 April to the following 31 March each year.
- 2 The attached attendance statistics record where a Councillor has attended formal meetings of the Council, Cabinet, Committees, Working Parties, Panels etc to which he or she has been specifically appointed as **a full Member** of that forum. The Council operates a substitute system whereby when a full member of the Committee cannot attend a meeting they arrange for a designated substitute member to attend in their place, thereby helping to ensure full representation at that meeting. In addition, Members may attend a meeting by "invitation" in which they have a special interest or make representations in respect of their Ward. The occasions when a Member has attended as a substitute or by "invitation" are recorded in the "Additional Attendance" column.
- 3 The statistics do **not** record the following activities undertaken by Councillors in carrying out their roles: -
 - (a) attending workshops on specific topics and internal meetings where there is no formal publication of the agendas, papers and minutes;
 - (b) representing the interest of the Ward for which the Councillor was elected and dealing with constituents' enquiries and representations;
 - (c) representing the Council on outside bodies, such as on a board, trust or multi-agency groups;
 - (d) assisting in the civic life of the Borough;
 - (e) representing the authority to the community and the community to the authority, through the various forums available, including liaison with Parish and Town Councils and Residents' Associations; and
 - (f) participating in Councillor training and development programmes, including those relating to statutory requirements.
