### **Notes**

- 1 Members' Attendance Statistics are usually recorded for period 1 April to the following 31 March each year. However, because elections were held on 5 May 2011 and the composition of the Council changed significantly for this reporting year the statistics relate to the period from 19 May 2011, the first meeting of the new Council, to 31 March 2012.
- 2 The attached attendance statistics record where a Councillor has attended formal meetings of the Council, Cabinet, Committees, Working Parties, Panels etc to which he or she has been specifically appointed as **a full Member** of that forum. The Council operates a substitute system whereby when a full member of the Committee cannot attend a meeting they arrange for a designated substitute member to attend in their place, thereby helping to ensure full representation at that meeting. In addition, Members may attend a meeting by "invitation" in which they have a special interest or make representations in respect of their Ward. The occasions when a Member has attended as a substitute or by "invitation" are recorded in the "Additional Attendance" column.
- 3 The statistics do **not** record the following activities undertaken by Councillors in carrying out their roles: -
  - (a) attending workshops on specific topics and internal meetings where there is no formal publication of the agendas, papers and minutes;
  - (b) representing the interest of the Ward for which the Councillor was elected and dealing with constituents' enquiries and representations;
  - (c) representing the Council on outside bodies, such as on a board, trust or multi-agency groups;
  - (d) assisting in the civic life of the Borough;
  - (e) representing the authority to the community and the community to the authority, through the various forums available, including liaison with Parish and Town Councils and Residents' Associations; and
  - (f) participating in Councillor training and development programmes, including those relating to statutory requirements.
