

## Ward report: Risby ward

This report provides a snapshot of Risby ward, using data that are available at Census Output Area or in some cases Lower Layer Super Output Area (LSOA) level. The number of datasets available at these levels is more limited than at higher levels e.g. district. This means that some datasets are only available in census years at this level and not for more recent years. Please note that due to the methodology used for rounding numbers, values will not always round to 100% when displayed to 1 decimal place.
