

A quick start guide...

The new look Suffolk Observatory is here!

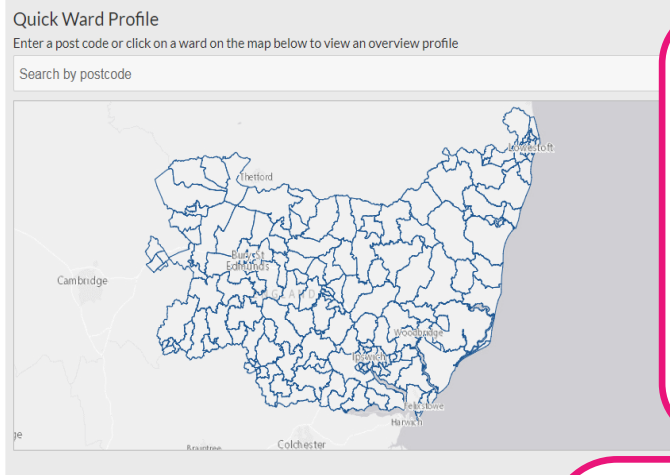

Access it via: www.SuffolkObservatory.info

What is it? A website containing vital statistics about Suffolk.

Why use it?

- It's a great source of useful data that will help in writing reports and presentations, informing strategic and business planning, and preparing funding applications or supporting academic research.

On the homepage:

Use the '**Quick Ward Profile**' to find out about your ward of interest—you can enter a postcode at the top, or click on the map.

Or ...scroll down the homepage to click and view data by theme:

User tip: This can also be accessed by the 'Data' tab in the main menu.

Current themes are:

- Population
- Crime and community safety
- Children and young people
- Deprivation
- Health and social care
- Economy and Employment
- Housing
- Environment
