

West Suffolk Safety Advisory Group Event Notification Form - Initial Outline

This form will be circulated to members of the Joint District Safety Advisory Group (SAG) for the purpose of notifying key agencies (Police, fire, ambulance service, Licensing, Highways, Emergency Planning and so on) that an event is taking place.

This form acts as the initial brief to highlight to members of the SAG the nature and size of your event. It will enable key agencies to provide advice and guidance on specific aspects of your event (road closures, licensing requirements and so on) helping to inform safe planning and delivery of your event, minimising the risk to public safety and promoting licensing objectives.

Whilst this is an initial notification of your event, please complete each section in as much detail as possible so that the relevant key agencies can provide a commensurate level of support and guidance. Depending on the nature, scale and history of your event, a SAG will not always be requested and the SAG is not a statutory body.

7. Supporting information

The Safety Advisory Group recommends that as a minimum the following documents should be in place for your event:

- ☐ Public liability insurance
- ☐ Event safety and management plan
- ☐ Event risk assessments
- ☐ Marketing and promotional material
- ☐ Event site plan
- ☐ Licence (if licensable activities)

Please note: If booking an event on public land you will normally be required to provide this information to the landowner to secure the site.

Please note: The Safety Advisory Group will request that the above documents are made accessible to SAG members for the purpose of checking measures for public safety, sharing information and contingency planning between key agencies.

Important: The above documentation should be provided to the Safety Advisory

Group as early as possible (three months) to enable time for circulation to all SAG members for review and feedback to be provided to event organisers. Any licence required may, by law, need to be applied for **at least two months** prior to your event so please factor this in to your event preparations and a licence application may need to be made **in advance** of any SAG consideration of your event.
