NEWMARKET VISION

E-NEWS LETTER NOVEMBER 2015

I hear sleigh bells...

As reported last month, the Railway Station was due to undergo some improvements, many of those have now taken place, as below, but there is still a lot to plan for the future to make the Railway Station more than just a stop on the line.

The Neighbourhood Plan is moving forward. Consultations have been carried out over the proposed area for designation, as well as over the aims and objectives to be included in the final plan. The feedback so far has been constructive. If you wish to comment or view the Newmarket Neighbourhood Plan visit <http://www.newmarket.gov.uk/nmkt-neighbourhood-plan/>

The Tourism Sub Group is working towards a Heritage and Tourism scheme which could see plaques and certificates awarded to buildings of interest.

The Local Economy Sub Group continues to work on the Newmarket Business Improvement District (BID) and New Anglia Growth Hub projects and is focused on identifying the space and incubation needs for Newmarket businesses as well as attracting inward investment.

The Retail Sub Group continue to work and walk the High Street promoting the BID and will soon start on the final business plan. This will then be sent out to businesses and voted on in late February.

So, it only remains to wish everyone a Happy Christmas looking forward to a productive 2016 for Newmarket Vision.
