

West Suffolk Council scheduled grass cutting for the week Monday 25 to Thursday 28 March 2024

May we wish you a Happy Easter and welcome to the start of the 2024 grass cutting season. We are pleased to announce that we have been able to increase our grass cutting capacity this coming season following a grounds maintenance review which took place last autumn. The grass cutting rounds in and around Bury St Edmunds have now been increased from four to five, including a new separate parish and rural round. We have also increased our capacity in terms of staff and resources in both the north and south of the district.

In all cases, the planned and scheduled mowing for the forthcoming week is dependent on a range of issues including the prevailing weather conditions, staff, and machinery availability. However, we have delayed cutting this season due to wet ground conditions, nevertheless we are confident that our new Flail and Rotary mowers will be able to cope with the grass length going forward.
