

## West Suffolk Council scheduled grass cutting for the week Monday 16 to Friday 20 October 2023

Please be aware, that we intend to stop the majority of grass cutting at the end of October. These schedules will then stop until March 2024. However, we will be completing any outstanding cutting during November 2023.

In all cases, the planned and scheduled mowing for the forthcoming week is dependent on a range of issues including the prevailing weather conditions, staff, and machinery availability.

### Northern area: Brandon, Lakenheath, Mildenhall, Red Lodge and Newmarket
