

## West Suffolk Council scheduled grass cutting for the week Monday 15 to Friday 19 April 2024

We are pleased to be able to tell you that due to the recent high winds with some periods of sunshine and higher temperatures, that the ground in the main, is drying out. This means that we have now started to deploy our tractors and gang mowers to cut the larger parks and green spaces which during the previous weeks we have been unable to do and this programme is reflective of the improvement in ground conditions.

We will return to any areas left due to damp conditions and cut the grass once the ground conditions permit us to do so.
