

West Suffolk Council grass cutting programme Monday 21 to Friday 25 September 2026

Please find the early autumn grass cutting programme for the week starting Monday 21 September 2026. Following on from the summer drought and in order not to damage roots and emerging grass shoots and dependant on the rate of recovery of different areas, the height of cut will be no shorter than 50mm or 2 inches.

In all cases, the planned and scheduled work for the next week is dependent on a range of issues including weather conditions, staff, and machinery availability.

If you have a particular area of concern regarding any Landscape maintenance issues, please phone West Suffolk Council Customer Services Team on 01284 763233. Lines are open 9am to 5pm Monday to Friday (closed weekends and bank holidays) and we will respond to any urgent requests.
