

West Suffolk Council grass cutting programme Monday 19 to Friday 23 October 2026

Please find the grass cutting programme for the week starting Monday 19 October 2026.

Please note that cyclical three weekly grass cutting will stop on Friday 30 October 2026 for the majority of sites and areas within the district. This is due to the grass typically stopping growing and entering winter dormancy between late October and November. This is when soil and air temperatures normally start to drop below 5°C to 7°C and light levels are significantly reduced.

In all cases, the planned and scheduled work for the next week is dependent on a range of issues, including weather conditions, staff and machinery availability.

If you have a particular area of concern regarding any landscape maintenance issues, please telephone West Suffolk Council Customer Services Team on 01284 763233. Lines are open 9am to 5pm Monday to Friday (closed weekends and bank holidays). We will respond to any urgent requests.
