

West Suffolk Council grass cutting programme Monday 26 to Friday 30 October 2026

Please find the grass cutting programme for the week starting Monday 26 October 2026.

Please note we have now reached the end of our cyclical three weekly grass cutting programme for 2026 and this will cease on Friday 30 October 2026 for the majority of sites and areas within the district. The next grass cutting programme will be published between late March and early April of 2027.

The grass is now entering winter dormancy and will stop growing which normally occurs between late October and November. This is also a period when soil and air temperatures normally start to drop below 5°C to 7°C and light levels are significantly reduced.

In all cases, the planned and scheduled work for the next week is dependent on a range of issues, including weather conditions, staff and machinery availability.

If you have a particular area of concern regarding any landscape maintenance issues, please telephone West Suffolk Council Customer Services Team on 01284 763233. Lines are open 9am to 5pm Monday to Friday (closed weekends and bank holidays). We will respond to any urgent requests.
