

## West Suffolk Council scheduled grass cutting programme for the week Monday 1 to Friday 5 August 2025

During the next few weeks, we will be concentrating our staff and resources on summer shrub pruning, hedge cutting and pathway clearance. However, in areas where mowing rounds and zones have already been started these will be completed before we carry out summer pruning works.

While we aim to be as accurate as possible in forecasting and delivering our weekly grass cutting programme, please be aware that this is subject to unavoidable circumstances beyond our control including the prevailing weather and ground conditions, machinery breakdowns, staff sickness and holidays.
