

Fact Sheet 14 Set up service

West Suffolk Lettings Partnership can offer landlords a set up service, this includes:

- tenancy agreement
- inventory and photographs
- set up direct payment from Housing Benefit to the landlord, may be dependent upon the circumstances of the tenant
- deposit bond covering one month
- tenant finding service damage.

WSLP are not able to offer a management service for the property. This would be the responsibility of the landlord, as would all repairs.
