# 1. General conditions

West Suffolk Council are empowered under the Local Government Act 2003 to levy charges for discretionary services, such as those provided by the council in their parks and open spaces. The setting of fees and charges for activities and facilities in West Suffolk's parks and open spaces is delegated to the Assistant Director (Operations), after consultation with the Assistant Director (Resource and Performance) and the Portfolio Holders for Leisure and Culture. The fees and charges are reviewed on an annual basis. An annual review of fees and charges is an integral part of the annual service planning cycle and the anticipated income forms part of the council's base budget.

## 2. Event hire

### Hire charge duration

Unless stated otherwise, all charges are a daily rate.

#### 2.1 Non-commercial events

Any event hosted by a non-commercial organisation will be charged a per the table below based on the expected number of attendees notified to us during the application process. Should an event have significantly more attendees than planned a larger fee will be charged to reflect this where the same event is booked again at a later date.

Non-commercial category	Expected attendance	Fee
X small	less than 100	£126
Small	101 to 300	£168
Medium	301 to 500	£330.75
Large	501 to 1000	£493.50
X large	1,001 to 2,500	£603.75
XX large	2,501 to 5,000	£824.25
XXX large	5,001 and over	£1323

#### 2.2 Runs or cycle rides

If a run or cycle ride requires the use of the park for only start or finish purposes and therefore the route is not through any of the park's other areas than reduced rates can be applied.

**Please note:** it is the hirer's responsibility to inform the relevant highways department for any road closures required for the event.

If the route takes place around the park itself, then the rates below will apply:

Runs or cycle rides category	Expected attendance	Fee
X small	less than 100	£126
Small	101 to 500	£168
Medium	501 to 1000	£304.50

Large	1001 and over	£467.25
-------	---------------	---------

## 2.3 Commercial events

All commercial event hire charges are based on 10% of the expected ticket income of the event. This is calculated from the average ticket price of the forthcoming coming and its expected or historical attendance. Example calculations are below.

Commercial event	Attendance	Average ticket price	Expected sales	10% fee
Music Concert	5000	£25	£125,000	£12,500
Outdoor Cinema	1500	£12	£18,000	£1,800
Beer Festival	850	£9	£7650	£765

## 2.4 Community groups and regular bookings

If you're hosting activities or events regularly at our parks and open spaces an overall hire fee will be negotiated with the parks team, reflecting the total attendance, impact on the site and the ranger team. Negotiations can also be applied for small, local community events.

## 2.5 Cancellation fee

To confirm the event, the hire fee must be paid at least 10 weeks in advance. This hire fee is non-refundable. Should an event be cancelled prior to the 10 week confirmation a £25 fee will be charged.
