2. A permit holder who moves out of the residential parking zone must surrender the permit or visitor parking voucher. Should a permit holder wish to surrender a valid permit then a refund will be made based upon the figures for each full quarter

which remains unexpired. **You must not give your permit to anybody else and it would be an offence to use a permit after you have moved.** If a permit holder moves to another address within the same zone, the council must be informed of the change of address.

3. Residents are eligible for two parking permits per 'vehicle owning household' per year of the scheme. The definition of a 'vehicle owning household' for the purpose of this scheme is: 'A property which appears in the Council Tax register within the zone in which any person who normally resides in that property owns, leases, hire purchases or keeps and uses a vehicle'.
4. The Domestic Council Tax Register and the current Electoral Roll will be used to monitor the validity of permit and visitor voucher applications. **The permit or visitor parking voucher remains the property of the West Suffolk Council. If it is misused, it may be withdrawn at the council's discretion.**

The definition of a 'vehicle' for the purpose of this scheme is: 'A motor car or van (under 3.5T) or a motorcycle that has a current road fund licence and is insured and has a valid MOT certificate'. No other vehicles can be parked within a residents parking area, subject to exemptions in **condition 8**, which relates to medical professionals.
