

SALP – post hearing issues for clarification

16. To check that all references to each settlement within the SALP are consistent in terminology (town/ village)

16.1 One factual inconsistency was found in the SALP in the Lakenheath section, page 49, paragraph 5.7.2, 4th bullet point where a reference was made to 'sites within the town' rather than 'sites within the village'.

16.2 Additional modification AM18 has been suggested to correct this.
