Hello Marie

The Inspectors have responded to the email I forwarded from the Newmarket Horseman's Group (dated 26/11/28) via Nicky Parsons from Pegasus Group as below.

“Thank you for providing the HRA joint opinion document from the NHG. Just to confirm, we would like to request that the LPA provides a considered response to us on the matters raised within the document. I appreciate that there may be some difficulty regarding the availability of the Councils QC this week, however if you could ask the Council to provide a realistic timeframe for providing the response I would be most grateful.”

Can you please add this email to the web in due course alongside your response.

Kind regards  
Annette Feeney  
Programme Officer
