* If an agent is appointed and details provided above, you only need to complete the Title, Names and Organisation under Personal Details.

PART B Please complete a separate Part B for each representation you wish to make.

Your name or organisation (and client if you are an agent):	
---	--

Please refer to guidance notes on completing this form.

Please indicate below what this representation relates to.

Sustainability Appraisal of Single Issue Review of Core Strategy Policy CS7 <i>Please state which part of the SA Addendum</i>	
Habitats Regulations Assessment of Single Issue Review of Core Strategy Policy CS7 <i>Please state which part of the HRA</i>	
Updated Air Quality Assessment <i>Please state which part of the Air Quality Assessment</i>	

Do you consider the Sustainability Appraisal/Habitats Regulations Assessment information is:

		Please tick		Please tick
4. (1) Legally compliant	Yes		No	
4. (2) Sound	Yes		No	

If you consider the documents as proposed to be modified are unsound, please specify your reasons below (please tick all that apply below). See below for definitions.

<input type="checkbox"/>	It has not been positively prepared
<input type="checkbox"/>	It is not justified
<input type="checkbox"/>	It is not effective
<input type="checkbox"/>	It is not consistent with national policy

Positively prepared – the plan should be based on a strategy which seeks to meet objectively assessed development and infrastructure requirements, including unmet requirements from neighbouring authorities where it is reasonable to do so and consistent with achieving sustainable development.

Justified – the plan should be the most appropriate strategy when considered against the reasonable alternatives, based on proportionate evidence.

Effective – the plan should be deliverable over its period and based on effective joint working on cross boundary strategic priorities.

Consistent with national policy – the plan should enable delivery of sustainable development in accordance with policies in the National Planning Policy Framework.

6. Please give details of why you consider the Sustainability Appraisal addendum/Habitats Regulations Assessment/Air Quality Assessment information is not legally compliant or is unsound. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Sustainability Appraisal / Habitats Regulation Assessment / Air Quality Assessment, please also use this box to set out your comments.

Please provide details of your representation here:

(continue on a separate sheet / expand box if necessary)

Please provide a concise summary of your representation here (up to 100 words):

Please set out the modification(s) you consider necessary to the SA/HRA/Air Quality Assessment to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where it relates to soundness. You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please specify the modifications you consider necessary here:

(continue on a separate sheet / expand box if necessary)

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification.

Please ensure that Part B of your form is attached to Part A and return both to the address provided by
