Thank you for consulting Natural England on the HRA Addendum. I can confirm that we agree with the approach taken and the conclusions of the addendum, and have no further comments.

If you have any specific queries regarding the addendum please do not hesitate to get in touch again.

Kind regards

We are here to secure a healthy natural environment for people to enjoy, where wildlife is protected and England's traditional landscapes are safeguarded for future generations.

In an effort to reduce Natural England's carbon footprint, I will, wherever possible, avoid travelling to meetings and attend via audio, video or web conferencing.
