Dear Mr Ashcroft,

Newmarket Neighbourhood Plan Clarification note - Response to West Suffolk query

Question: *What is the expected timescale for the adoption of the Forest Heath Site Allocations Local Plan?*

Answer: West Suffolk received the Inspectors Reports into the Forest Heath Single Issue Review (SIR) and Site Allocation Local Plan (SALP) on the 13 August 2019, and these can be viewed by scrolling down the web page on https://www.westsuffolk.gov.uk/planning/Planning_Policies/local_plans/forest-heath-local-plan-examination-2017.cfm

It is proposed to adopt both the SIR and SALP at the Full Council meeting on the 19 September 2019.

Yours sincerely

Marie Smith
