	Strategic Environmental Assessment Screening Report for the Newmarket Neighbourhood Plan took place from 16 August 2018 until 21 September 2018. The screening process undertaken concluded that the Neighbourhood Plan would not need to be subject to an HRA. The consultation bodies have all agreed with the conclusion reached. The Plan has not significantly changed since this screening opinion was issued, and nor has there been a long delay between the issue of the opinion and the submission of the Newmarket Neighbourhood Plan (Referendum Version).	

CONCLUSION: West Suffolk Council has issued a confirmation that the Referendum version Newmarket Neighbourhood Plan meets the legislative requirements.

The draft neighbourhood plan submitted to the local planning authority meets the requirements in the legislation, and the Local Planning Authority has publicised the neighbourhood plan for a minimum of 6 weeks, invited comments, notified any consultation body referred to in the consultation statement and sent the draft neighbourhood plan to independent examination. Following examination, the Council determined that the plan, modified as recommended by the examiner, is ready for a public referendum. (Schedule 4B of the Town and Country Planning Act 1990 (as varied by s38A & 38C of the Town and Country Planning Act) and the Neighbourhood Planning (General) Regulations 2012).
