**Subject:** Re: Review of Polling Districts and Polling Places

Dear Ben

Chevington Parish Council met last week and discussed the village hall being the Polling Station for the village. All agreed that it was a good place to be used as it has toilets, heating, accessible entry and exit and is easy to park at and is centrally located within the village. No need to change.

The Village Hall Management Team agreed with this discussion.

regards

Frances Betts  
Parish Clerk to Chevington Parish Council
