Subject: Polling Review - Lidgate

Dear Elections

Having consulted the Parish Council and the Village Hall Committee, we comment as follows:

- No boundary comments
- Agree hall is a good central location. There is wheelchair access at the rear, handrails from the road steps are due to be fixed any day now and the steep ramp on the opposite side of the frontage will be reviewed as part of the improvements being planned to the frontage as a whole.

We hope this is of help.

Best wishes

Karen Peck
Clerk to Lidgate Parish Council
