

Date received	Name/Organisation	Response	Council's assessment
16/02/2018	National Grid	National Grid has no record of any electricity or gas transmission apparatus within the Hargrave neighbourhood plan area.	Noted, no change to the Plan is required to comply with legislation.
02/03/2018	Historic England	Unable to provide detailed comments. Refer back to advice submitted at Regulation 14 stage, 31 October 2017. (These welcome the incorporation of Policy HAR9 - Local Heritage Assets, and Community Action 14. For the future development of a conservation area, the Parish Council is referred to: HE Advice Note 1 - conservation area designation, appraisal and management: < https://historicengland.org.uk/images-books/publications/conservation-area-designation-appraisal-management-advice-note-1/ > (25 February 2016) and Understanding Place - Historic Area Assessments: < https://content.historicengland.org.uk/images-books/publications/understanding-place-historic-area-assessments/heag146-understanding-place-haa.pdf/ >. (April 2017).	Noted, no change to the Plan is required to comply with legislation.
19/03/2018	Resident of Hargrave	The housing settlement boundaries should be enlarged to include Church Lane and Bird's End. Planning in these areas should be approved by Parish Council before submitting to LA, who must take into account PC views.	Noted, no change to the Plan is required to comply with legislation, so this is information for the Parish Council's benefit.
20/03/2018	Natural England	Natural England does not have any specific comments on the draft neighbourhood plan. Reference to issues and opportunities to be considered when preparing a neighbourhood plan.	Noted, no change to the Plan is required to comply with legislation.
20/03/2018	Resident of Hargrave	Resident has two comments to make - 1. loss of bus service in village if the school transport is withdrawn and 2. support for housing development as long as in keeping with village and is for the purpose of extending the longevity of the village. The kind of development required is building the right sized homes to enable young people to remain in village.	Noted, no change to the Plan is required to comply with legislation.
20/03/2018	Suffolk County Council	SCC supports plan with some additional amendments to help improve clarity and effectiveness. * Archaeology - welcomes addition text * SUDS - Recognition of DM Policy 6 and sections or NPPF - however it might be more effective to refer to NPPF para 100 as a whole in regard to flood risk. * ROW - welcomes inclusion of Community Action 11. SCC ROW officer is willing to work with parish to develop their aspiration of filling in gaps in ROW network, but also making any improvements that will enhance the network for all users, where resources allow. * Transport - Welcomes approach to Community Action 9 - to work with SCC. SCC highways willing to discuss with HPC options that may be suitable for the parish, however a source of funding will need to be identified to bring measures forward.	Noted, no change to the Plan is required to comply with legislation.
